REPORT OF THE EXECUTIVE COMMITTEE

FOR THE YEAR ENDED MAY 1ST, 1896.

CHANGES IN THE ROLL OF BENEFICIARIES.—The Rev. William T. Canning of Mountain, Ont., died on July 23rd, 1895, aged 74 years. The Rev. James Williamson, LL.D., Professor of Astromony in Queen's College, Kingston, and a commuting minister, departed this life at Kingston on September 26th, 1895, in his eighty-ninth year. The Rev. D. J. Macdonnell, B.D., of St. Andrew's Church, Toronto, died at Fergus on the 19th of February last in his fifty-third year.

THE AUDIT DEPARTMENT.—Mr. James Mitchell, the senior auditor of the Board, having died after a lingering illness on November 11th, 1895, the Board recorded in its minutes a resolution expressing a sense of the loss which it had sustained by the death of Mr. Mitchell, who had for thirty-eight years discharged the duties of auditor with great faithfulness and ability. In terms of the act under which the fund is administered, the Beneficiaries were requested to nominate a successor to Mr. Mitchell, the result being a unanimous vote in favor of Mr. Alexander Mitchell of Montreal, who has signified his acceptance of the position.

FINANCES.—The receipts for the year as exhibited in Schedule B. are as follows :—Loans matured and repaid, eleven thousand six hundred and fifty dollars (\$11,650);

interest on investments, six thousand five hundred and twenty-seven $\frac{7}{100}$ dollars (\$6,527.78); and a temporary loan of three hundred dollars, making, with the balance from last year of \$6,554.75, the sum of twenty-five thousand and thirty-two $\frac{5}{100}$ dollars (\$25,032.53). The payments were, to ministers in June and December, nineteen thousand two hundred dollars (\$19,200), to Queen's College, two thousand dollars (\$2,000); for expenses of management and temporary loan repaid, 1,024.51, and one payment to a beneficiary in advance (less six months' interest) \$188.18, leaving the balance of \$2,619.84 to be carried to the credit of next half year's account.

The cash value of the investments and other assets, as per Schedule A. is \$105,232.16. The draft on capital to meet the expenditure of last year was \$15,925.09.

The balance at credit of the special account with the commuting and privileged ministers at December 31st, 1895, was \$40,915.64, leaving \$64,316.52 to be dealt with in the interest of the non privileged ministers.

VALUATION OF THE FUND.—A new actuarial valuation of the Fund having been lately made, the Board think it desirable to let the Beneficiaries know that, while the sum set apart for securing the commuting and privileged ministers appears to be ample; owing to the lower and still decreasing rate of interest obtainable for the investments of the fund, there is now no probability, as there was five and a-half years ago, that the balance of the fund remaining is sufficient to provide for the life-interests of the non-privileged ministers.

In *re* the suit of Rev. T. G. Smith, D.D., of Kingston, *versus* the Temporalities' Board, claiming to have his name replaced on the list of beneficiaries on his return to Canada from the United States, where he had been inducted to the pastoral charge of a congregation and continued in the same for several years; judgment was given in the

Superior Court, Montreal, on the eleventh day of last November, dismissing the plaintiff's action with costs; thus establishing the important principle which the Board has hitherto acted upon, namely, that when a beneficiary has severed his connection with the Presbyterian Church in Canada, by induction to a charge beyond the jurisdiction of said Church, his rights in the benefits of the Temporalities' Fund have thereby ceased, and cannot be revived.
